

Lecture Series SoSe 2024

08.04.2024 18 Uhr

Marc Nottrott

Senior Expert of the Certification Body Unit Certification
M.O.E. Moeller Operating Engineering GmbH

The Future Challenge:

Navigating the Grid Integration of Wind Turbines

15.04.2024 18 Uhr

Merja Mäkelä

Principal Lecturer Automation Engineering

South-Eastern Finland University of Applied Sciences

**Increasing Wind Energy and Hydrogen Production
and their Impacts in Finland**

29.04.2024 18 Uhr

Paul Meyer

Data Analyst and Alumnus Hochschule Flensburg

Fraunhofer-Institut für Windenergiesysteme IWES

My Buddy the Lidar - Utilizing Remote Sensing

Wind Measurements for Wind Energy Applications

06.05.2024 18 Uhr

Lucy Pao

World-Leading Scientist in Wind Turbine / Park Regulation

University of Colorado at Boulder

Multi-Loop Control of Floating Wind Turbines

At WETI
Nordstraße 2
24937 Flensburg

Wind Energy Technology
Institute
