WELCOME TO FLENSBURG...

... the maritime city in the heart of the German-Danish border region, or as we say here, *Zwischen Himmel und Förde!* (Between heaven and firth!)

I'm sure you'll soon feel at home in our tolerant and diverse city. Nearly 100,000 people from more than 150 nations live here, making Flensburg a colourful and open-minded city.

Our cultural and leisure activities are no less diverse! How about a pub crawl through the historic merchants yards, going clubbing above the city-centre rooftops with a fantastic view of the harbour lights, or stand-up paddling on the firth? Try the local speciality, a *Fischbrötchen* (fish in a crusty roll) with a *Flens* (local beer) while sitting at the harbour. Or take a well-earned break from studying and head to the beach for a barbecue! There's so much here to experience and discover alongside your studies.

Our student welcome pack, full of money-off vouchers and freebies for local activities, events and services, will help you settle in! To receive your free pack, just come along to the *Bürgerbüro* (Citizens Bureau) at the town hall and register your new address in Flensburg with us. We look forward to welcoming you.

All the best for your start in Flensburg!
