

## Declaration Concerning Impediments to Enrolment and Data Protection

First Name, Last Name: \_\_\_\_\_

Course of Study: \_\_\_\_\_

Telephone No.: \_\_\_\_\_

### **1. Declaration concerning impediments to enrolment in accordance with § 40 par. 2, cl. 3, 4 and 5 of the Higher Education Act of the State of Schleswig-Holstein**

The enrolment can be rejected, if the applicant

1. was finally convicted of a deliberately committed crime to a prison sentence of more than a year, the sentence has not been served yet and, depending on the crime, the applicant constitutes a potential disruption or threat to the study process,
2. is not in a position to hold public offices,
3. suffers from a disease which poses a threat to the health of other students or which would seriously disturb proper student service; in this case an official medical report may be demanded.

**I hereby declare that the above-mentioned aspects do not preclude the enrolment at the Flensburg University of Applied Sciences.**

**If one of the above-mentioned aspects arises during my studies, I commit to notify the Flensburg University of Applied Sciences immediately.**

Place, Date, Signature: \_\_\_\_\_

### **2. Processing of personal data in accordance with § 45 of the Higher Education Act of the State of Schleswig-Holstein**

In accordance with regulations concerning data protection, universities may collect and process data of applicants, students, examination candidates, alumni, as well as other persons with access to university institutions. These data are necessary for the identification, admission, enrolment, re-enrolment, academic leave, participation in courses, examinations, utilisation of university institutions, as well as university organisation. Furthermore, universities may use collected data to contact alumni, provided that those concerned agree. The ministry determines by regulations which specific information of the data set may be processed or used otherwise for which specific purposes.

**I understand the right of the Flensburg University of Applied Sciences to collect, process and, in case of cooperative study courses with partner universities, forward my personal data in accordance with § 45 of the Higher Education Act of the State of Schleswig-Holstein.**
